We are
DG DEFIS is in charge of Defence Industry and Space. Directorate B “Development & Innovation” is responsible for new space developments, space research and innovation, space-based applications and market uptake, communication and international relations. A major objective is to foster jobs and growth based on space applications, supporting the development and use of new technologies.

We propose
The duties of the future Director are to manage the Directorate, to provide an overall strategic orientation and to plan the activities of the Directorate including to:
- develop new space activities such as govsatcom and SSA as a direct implementation of the EU Space programme
- support research and innovation in space, including quantum technologies
- develop a European ‘new space’ approach
- foster synergies between civil, space and defence industries and to ensure cross-fertilisation including at programme and application levels
- ensure dissemination of data and information from the EU space programme
- develop a comprehensive SME and start-up policy
- contribute to the development and access to financial instruments
- define international strategies related to space and defence
- organise the communication on space and defence

We look for
Personal Qualities
• Very good capacity to communicate effectively and efficiently with all stakeholders inside or outside the Commission
• Very good negotiation skills (being able to negotiate effectively with internal and external stakeholders)
• Very good analytical, organisational and conceptual skills
Specialist skills and experience
- Experience in programme implementation
- Very good understanding of the space sector
- Excellent ability to define and focus on strategic priorities, evaluate progress and oversee implementation

Management skills
- Proven capacity for managing changes
- Ability to set efficiently the priorities and objectives and capacity to allocate resources accordingly
- Excellent managerial skills, in particular proven ability to lead and motivate teams, set priorities and take decisions

Recruitment policy
SPECIFIC CONDITIONS: The post requires candidates to be in possession of a valid Personnel Security Clearance (PSC) at EU Secret level. The successful candidate will be required to undergo security vetting if (s)he does not already hold security clearance at the appropriate level, in accordance with the relevant security provisions.

The Commission applies an equal opportunities policy. Given the low representation of women in management functions, the Commission would particularly welcome applications from women.

Candidates invited for an interview with the Consultative Committee on Appointments have to attend, before this interview, a one-day assessment centre run by external consultants, unless they have already been evaluated through an assessment centre organised at the request of DG HR for a type of post at the same level as the one they are currently applying for during the two years preceding the date of the interview with the CCA.

For officials working in another Institution than the Commission, a certificate confirming function group, grade and status as an official must be provided.

How to apply
‘Apply for this Job’ button - Vacancies in your institution

Officials with access to Sysper have to apply to this published vacancy notice in their own institution using the ‘Apply for this job’ button. This includes former Commission officials who have been transferred to the European External Action Service and would like to apply to this published vacancy notice in the Commission.

In case of a published vacancy notice in an Executive Agency, any statutory staff already working in an Executive Agency with access to Sysper may apply through Sysper to that specific vacancy notice.

Once Sysper has correctly registered your application, you will receive an automatic e-mail notification. If you do not receive this e-mail notification, this means that your application via Sysper was not successful and you will need to try again. Your application has to be submitted before the expiry of the application deadline. Therefore, we advise you to upload your application in Sysper sufficiently in advance (modifications are possible until the expiry of the deadline).

Applications via e-mail

In case of technical problems with Sysper or for candidates from other institutions, including former GSC officials transferred to the EEAS who are applying for a vacancy notice published in the GSC, applications can be submitted within the deadline via the e-mail address indicated below.

The CV and the motivation letter attached to the email must be in PDF format (maximum size of 2MB per document). Any other documents you wish to attach (e.g. references, certificates, etc.) must be merged into one single PDF document (maximum size of 2MB).
